ELECTIVES

In addition to the five required core classes, students will fill two elective periods. These elective choices may be a combination of year and semester course offerings. **Numbering 1-6 (1 = 1st choice), make six choices.** Students wishing to participate in year long electives should make these their 1st and 2nd choices. Students in need of remediation or tutorial courses will be placed in these classes in lieu of an elective. ***Inadequate staffing and/or enrollment may cause course cancellation, and core academic needs may conflict with elective placement.***
