Is there an engineer in your future?

SAVE THE DATE:

**SATURDAY
OCTOBER 31, 2009
TIME: 9:00 AM—2:00 PM**

Meet faculty and students from engineering schools in Virginia, Maryland and the District of Columbia—and beyond!

Participate in engineering design workshops by national engineering societies and leading local engineering organizations.

Hear from engineers working solutions in local industry and government.

Keynote speakers will dazzle the audience with engineering innovations in “virtual reality” and “eyes in the sky.”

Learn more about Chantilly Academy’s pre-collegiate engineering program, and engineering student organizations; and so much more...
