

# RVES Daily News Broadcast

We begin our day at Rolling Valley with a televised news

program. Four enthusiastic and responsible 6<sup>th</sup> graders produce and deliver the announcements and good news that happens here on a daily basis. Under the guidance of Mrs. Ryan, two student "technicians" operate the audio and video equipment and two student "anchors" present the news. In September, all 6<sup>th</sup> grade students are encouraged to complete an application for a position on the news crew. The crew rotates approximately every five weeks to allow as many students as possible a chance to be involved.
