-------------------------	---------------------------------	------------

I am committed to completing advanced courses (HONORS/AP/DE) for the 2010-2011 school year. I understand that these courses cover advanced material, at an accelerated pace, that I might need to meet certain prerequisites, and that I must complete a summer assignment (if assigned) for each HONORS/AP/DE course for which I register. Before consideration can be made for me to drop any HONORS/AP/DE course, I must complete the first nine weeks of work and take part in a conference with my teacher, my counselor, the subject administrator and my parent(s)/legal guardian(s). All course placements are subject to classroom space availability.

Student Signature _____	Parent/Guardian Signature _____	Date _____
