

## Why Join the Shreveewood PTA?

When you join Shreveewood's PTA you are helping send a message that the adults in the lives of Shreveewood's students care about and support public education and their local school. What does the Shreveewood PTA provide for our students?

- Activities for the whole family (events have included the Halloween Party, Bingo Night, and International Night)
- Funding for field trips
- Funding for supplemental classroom equipment and materials
- After school activities (Girls on the Run and Mad Science)
- "Reflections" Cultural Arts program
- Cultural Arts assemblies
- Organizing volunteers and room parents for the classrooms
- and much more....

You are also joining the National Parent Teacher Association, the largest volunteer advocacy organization in the United States! The mission of the National PTA is:

- to support and speak on behalf of children and youth in the schools, the community, and before governmental bodies and other organizations that make decisions affecting children
- to assist parents in developing the skills they need to raise and protect their children; and
- to encourage parent and public involvement in the public schools of this nation

---

The Shreveewood PTA generally meets on the 2nd Tuesday of the month. All adult family members are welcome. Joining the PTA is NOT a commitment to attend the meetings; however we would love to see you there!
