

Dear Spring Hill Parents,

Do You Have a Plan for Inclement Weather Early Dismissals, Delays and Closings?

Please discuss with your child what to do if school closes early due to bad weather, or if school is delayed or closed. Do your children know where to go if you're not home?

The decision to cancel school and activities is not made by Spring Hill School, but rather by central school offices. As soon as we are notified of early closings, we will make an announcement to Keep In Touch e-mail. We are often told at the last minute. When weather is questionable, please keep watch on media sources (**see below**) for timely information.

If you are not at home, your child should know what to do. Once school activities are cancelled, and children are dismissed, they become your responsibility. We feel it is critical that each family have an emergency plan in place for their children, in case of emergencies.

Please use the following media sources for information on school cancellations, delays* and early closings.

Also refer to your green Spring Hill Directory & Handbook, pages 14-15, for inclement weather information.

Please do not call the school.
Help us keep our phone lines open for emergencies.
