

# STRATFORD LANDING BOOK FAIR

The Stratford Library sponsors a Book Fair each year held to coincide with National Children's Book Week. The Fair gives students and their families the opportunity to shop for the latest titles in the school library.

The library staff and PTA volunteers set up the books to be sold, help all of the students come through and preview the books and make "wish lists," and help with three days of sales. The proceeds of the Fair benefit our school library and our reading room. The teachers also have the opportunity to make a wish list for their classroom libraries, with books available for purchase to benefit the teachers and their students.

OUR THEME THIS YEAR IS

## BOOKS ARE BRAIN FOOD: READ
