

THE RESPONSIBILITIES OF SLES ROOM PARENTS

Room Parents are asked to assist their teacher by coordinating help with Whisk Home Wednesday Folders each week and organizing celebrations throughout the year. Room Parents are also responsible for organizing donations for their class Spring Fling basket and coordinating activities during Teacher Appreciation Week in May.

Room Parents are requested to assist with miscellaneous events throughout the year as needed. Examples include, setting up a collection box in the classroom for the Care & Share Food Drive, encouraging teachers to fill out a classroom book Wish List during the annual Book Fair, and gathering volunteers to help with Field Day and the End of Year Party. Room Parents receive guidance from the Room Parent Coordinator, who works with teachers in assigning Room Parent volunteers to classes and also maintains a roster of all Room Parents.

Room Parents provide an important and invaluable service to both the teachers and the students. Room Parent Volunteer forms are available during the first two weeks of the school year. Volunteers are assigned to classes by the end of September so that they may begin working with the teacher.
