## Full Day Camps K-6

Provide your K-6 camper a memorable summer experience at Kids' Campus! Organized into houses, each campus provides language, art, and dance/fitness with three additional offerings. Join friends from 9 am to 4 pm each day for six fun-filled hour-long units, lunch, and two supervised break sessions. Kids' Campus runs for five days with an extended fifteen day program offered at Omega House. Well-trained staffers engage your child through their daily campus activities.

Participants bring their enthusiasm, love of learning, and a bagged lunch; snack is provided. Tuition for five-day camp is \$379 and fifteen-day Omega House is \$1,129. Parents provide transportation. Additional information available at [www.fcps.edu/aceclasses/KidsandTeens.htm](http://www.fcps.edu/aceclasses/KidsandTeens.htm) or call 703.658.1293.
