Principal's Message April 21, 2009

Dear Parents:

A huge **THANK YOU** to our wonderful community for making our **Carnival and Auction** such a fun day on Sunday! It was so nice to see everyone having such a good time. I am sure the money that was raised will go a long way in supporting our school with curricular materials, field trips, assemblies, etc. Way to go PTA!!!!

PTA CORNER

Sunday's carnival was Terraset volunteerism at its best! The PTA wants to

thank everyone, and we mean *everyone*, that helped create the greatest Spring Carnival event imaginable. We all worked together for months, you gave your best, and we were all rewarded with happy, smiling children of all ages.

The PTA gratefully acknowledges all of Terraset's staff who worked behind the scenes to coordinate the carnival events. We also thank you for coming on your day off and enjoying the day with your Terraset family.

The carnival was such a monumental event; we will be sharing the details via newsletter and Terragram soon.

AN IMPORTANT MESSAGE FROM MS. CARTER

Kiss and Ride:

As everyone's safety is of the utmost importance, the children who routinely utilize Kiss and Ride met last week with school staff and came up with the following expectations for their behaviors while waiting for their vehicle.

We walk at all times.

We pay attention and look for our car.

We stand on the sidewalk to wait.

We use appropriate voice levels.

The students know that if they choose to follow these expectations, they will be able to continue to utilize Kiss and Ride. They also understand that if they choose not to follow the directions, they will be given a warning. Three warnings and their parents will be notified that their student, for a given period of time, may no longer make use of Kiss and Ride. As always we appreciate your support and seek your partnership in ensuring a safe and efficient Kiss and Ride area. Please take a moment to discuss these expectations with your child.

An additional reminder for drivers: cars need to stay in the Kiss and Ride lane and not pass to the left. This also applies to drivers who park and retrieve their child and then want to leave the parking area. They too, must wait for the Kiss and Ride traffic to move and then they may exit the parking lot. If you have any questions, please do not hesitate to contact Ms. Carter at 703-390-5600.
