December 15th, 2011

If your student walks home, please remind him/her to USE THE CROSSWALK when leaving school. We have corrected several students who are leaving school premises at the end of the day and crossing Cedar in front of the school instead of using the designated crosswalks.

1. **Outer Wear Drive (clean coats, jackets, scarves, hats and gloves) from November 28th-December 19th.**
 - Donate to teens in our area in need of outer wear. Collection boxes are in the foyer of the main office!
2. **Pre-Holiday Schedules**
 - Please note that December 22, 2011, and May 25, 2012, are regular, full-length school days. The last two school years were early release days due to budgetary constraints.
3. **FLE presentations will be January 9-13th**
 - Family Life Education lessons include Emotional and Social Health Education and Human Growth and Development Education.
 - Materials have been available for preview throughout first quarter.
 - You still may preview the materials at any time. Please contact the school to set up an appointment.
 - Opt out forms are available should you choose not to allow your student to participate.
4. **FCPS Career and Transition Services Night- Wednesday, January 18, 2012, 7:00pm - 8:30pm**
 - Do you know what opportunities are available in FCPS to help prepare students receiving special education services for high school and beyond? Attend this Open House for middle and high school students receiving special education services and their parents for information on Job Coach Services, Employment & Transition and more!

National Speak Up Survey

Fairfax County Public Schools (FCPS) is participating in Speak Up, a national online survey about the use of technology in schools. The information collected will help FCPS, local, state and national policy makers, and the business community; contribute to the national dialogue about science, technology, and preparing students for the 21st century workforce. FCPS will be participating in the survey from now until December 23. The online survey is open to students, teachers, staff, and parents. We request that parents complete the survey with their child at home. The survey takes approximately 20 minutes to complete. We encourage everyone to participate in the survey. Please visit <http://www.speakup4schools.org/speakup2011/> to take the survey. The secret word is **fairfaxva**.

For more information about the survey, visit <http://www.tomorrow.org/speakup>.
