#### **Registration & Disclaimer**

Students spend the day at West Potomac High School in hands-on workshops given by West Potomac Academy teachers and students.

My child wishes to participate in Fairfax County Public Schools, West Potomac Academy Career Camp, November 2 and/or 3, 2009. I understand the nature of the activities and risks that may be involved and other potential risks of accident or injury. Knowing this, I still give my permission for my child to participate and hereby assume the risk of any accident or injury to person or property that he/she may sustain in connection with his/her participation in the West Potomac Academy Career Camp.

In addition, I understand that Fairfax County Public Schools does not provide any type of accident or medical payment coverage for this event. To the best of my knowledge my son/daughter is physically and mentally able to participate. If any injuries do occur, school personnel will respond in the same manner that they do during regular school hours.
