

West Potomac Academy Career Camp Grades 4-8 November 2-3, 2009

No School, YEAH!

*Why not come to West Potomac Academy to
“BONES” and “Behind the Scenes...”?*

“BONES”

Two unsuspecting kids uncover “BONES” in what is believed to be a crime scene! Under the instruction of **Academy Criminal Justice and Health & Medical Classes**, you will participate in hands-on activities to conduct an investigation and learn about the careers that work together to solve a crime: work undercover gathering clues at the scene of the crime in **Criminal Justice**, control contamination of evidence by compounding and applying hand sanitizer in **Pharmacy Tech**, apply proper hand washing techniques and the use of personal protective equipment (PPE) in a medical environment to foster infection control in **Health and Medical Sciences**, Explore basic bone anatomy and uncover secrets bones hold about the health and habits of the body in **Physical/Occupational Therapy**, and determine the victim’s identity, age, and DNA by comparing x-rays from teeth found among bone remnants in **Dental Careers**. At the end of the day, you will meet together to unlock the clues from the investigation and receive a West Potomac Academy Career Camp T-shirt!

Monday, November 2, 2009
