SCA Gets Off to a Great Start!

Officer Committee

The SCA Officers would like you to know that Red Ribbon Week starts today and goes until Friday. Join us in a journey around the world.

Monday—Passport Day

Tuesday—Pledge Day—
Chalk it Up to Good Choices

Wednesday—Wear Red Day

Thursday—Puzzle Poster
Day

Friday—Surprise Day!

School Store and Fund-raising Committee

The school store will open in November every Wednesday from 8:45 until the last bell. Get there early to beat the rush. The committee will be ordering new items so keep your eyes open.

School Spirit and Beautification Committee

The School Spirit Committee would like to announce that Friday, October 30th is Green and White Day. Show your school spirit by wearing your Waynewood clothes or as much green and white as you can.

Community Service

Walk for the Homeless is coming up through your P.E. class. Our goal is to get 620 students to return permission slips. If we meet our goal, the sponsor will give \$50,000 to help homeless people. We will also be collecting new hats and mittens.

The Digital Photography Committee (DP)

The yearbook committee is off to a good start. If your class is up to something neat, remind your teacher to let Mrs. Grant or Mrs. Cumberland know and they will make sure it is photographed and might be in the yearbook!

The Welcoming & Peer Tutoring Committee

The Welcoming Committee hosted a party for all new kids. The committee members are now available for tutoring in math and reading. If you think a tutor might help, let your teacher know and he or she can contact Mrs. Perry.

Recycling Committee—

Team E.A.S.T

Recycling is being collected every Friday morning at Waynewood.

- Separating cans from paper
- Cans will be donated to the firehouse. The money earned from the cans will be used to help people who are recovering from injuries gotten in a fire.

T.V. Production Committee

The T.V. Production Committee has been hard at work since the beginning of the school year working the cameras on the Owl News.

Kids News

News by kids for kids is back. Articles will be written and submitted by classroom. The paper will be published 4 times this year on the internet. There will be 4 sections (Comics, Sports, News, & Book Reviews). Stay tuned for more details!
