

## AP Latin (Vergil) Summer Assignment

Students should read the Aeneid in an English translation in its entirety during the summer. This will take 12 to 20 hours. They should be prepared for an examination on the content of the book upon their return to school in September.

Students should purchase a paperback (or hardcover, if they prefer) version of the Aeneid in English for use during the entire 2009-2010 school year.

I recommend the recent translation by Robert Fagles. It can be purchased at Amazon.com for between \$10 and \$17 dollars.
