

## ***Locker room Security Reminder***

Attention all students and parents: All students are required to lock up all their belonging in the locker room (backpacks, clothes, books, etc) in a long locker. Items left out on the floor, on benches or in unlocked lockers will be taken by staff. Students will be given PE detention on Monday after school from 2:15-3:15 if they leave their items out and unlocked. If they do not come, a written referral will be sent to subject administrator. Please help us keep your child's possession safe and secure by reminding them to **"LOCK THEIR LOCKERS!"**

Thank you,

The Westfield HPE Staff
