Girls & Boys State

Attention Juniors- Applications are now available for Girls and Boys State. Girls State will be held June 17 – 23 at Longwood University. Boys State will be held June 17– 23 at Liberty University. If selected this is a FREE program. Students will apply and then be invited to interview with a member of the American Legion Auxiliary. If you enjoy history and government this may be the program for you. It is a unique summertime educational program that does not emphasize classroom lectures and textbook learning. Instead, it focuses on participation and personal experience in a model state, complete with governing bodies and elected public officials. Participation in Girls and Boys State is viewed positively by college. Interested students should have leadership ability, strong character and academic record, evidence of community service and have a strong interest in the local and state governing process. Applications are available in the Career Center and the application deadline is Wednesday, February 15, 2012.

It's time for your History Honor Society Black History Month Spotlight! This week we are focusing on Virginians. Today's spotlight is on: Oliver W. Hill, Esquire, whose 1954 argument in Brown v. the Board of Education of Topeka, Kansas, mandated the integration of America's public schools
