

Dear Parent/Guardian:

Your children’s teachers use FCPS 24-7 Learning, an Internet-based learning system, to post homework, assignments and other communications for your children. Each student is given their own FCPS 24-7 Learning account.

Parents are encouraged to create their own account for FCPS 24-7 Learning. After registering online and having your account validated at one of your children’s schools, you will have your own username and password to access all of your children's active courses, your high school students’ career and college planning through Family Connection and will be able to update your children’s emergency information through weCare@school. Updating weCare@school with the correct email address will ensure better communication via Keep in Touch.

The following is a brief summary of the features and benefits of FCPS 24-7 Learning Parent View:

FEATURES	BENEFITS
Single login	Parents will be able to access all their children’s active courses using this single login. Parents need only register and validate once, even if their children are in different FCPS schools.
Exclusive parent user account	Parents no longer need to share their student’s login and ID.
Security	To keep information secure, the Parent View registration process has two separate checkpoints: Online Registration and an Onsite Validation process.
Parent-specific content	Using their Parent View account, parents can enter and update their children’s emergency care and parent contact information online through weCare@school. Parents with high school students can access their students’ college and career planning information through Family Connection.

To get your own FCPS 24-7 Learning Parent View account, please follow these steps:

1. Online Registration

- Using your Internet browser, go to <http://fcps.blackboard.com>
- Log on using username: parentreg and password: newuser
- Under the Parent Portal Registration heading, click on **Click here.**
- Fill out the online form and follow the prompts.
- At the end of the process, print or write down your unique key.

2. Onsite Verification

- Bring a photo ID and the unique key to the front office of your child’s school. Do not send this with your child. You must do this in person.
- The school will give you an FCPS 24-7 Learning Parent View username and your password will be emailed to you.

3. Login to FCPS 24-7 Learning at <http://fcps.blackboard.com>

- Using your new username and password, you can login to the FCPS 24-7 Learning and have access to all of your children’s available Blackboard courses. If you need assistance contact the FCPS 24-7 Help Desk at 1-866-434-8880.

Thank you for participating. We hope you will make use of this opportunity to be involved in your children’s academic life in Fairfax County Public Schools.
