

GET-IEP is a secure web-based application designed for use by general education teachers. GET-IEP allows the teacher of record in the student information system and other teachers with delegated rights to see a list of the special education students they serve and to view the PDF version of each student's current individualized education program (IEP).

For additional information about GET-IEP please refer to the [GET-IEP Teacher Quick Reference Guide](#).

<p>Technical Requirements and Settings</p> <ul style="list-style-type: none"> • Access to FCPSnet (VPN required outside of FCPS) • Standard FCPS Image • Internet Explorer 7 • Pop-up Blockers Disabled • Acrobat Reader v 8.0 or later <p>Teachers will log on to GET-IEP using their FCPS network credentials.</p>	
<p>Teachers can access GET-IEP by one of the following methods:</p> <ul style="list-style-type: none"> • Double-click the shortcut on their desktop <p>OR</p> <ul style="list-style-type: none"> • Select the login link on the GET-IEP More Information Page 	<p>SMS will target teacher computers for a one-time delivery of the GET-IEP desktop shortcut.</p>
<p>Add GET-IEP Desktop Shortcut</p> <p>School administrators also have access to GET-IEP; however their computers may not receive the desktop shortcut via SMS.</p> <ul style="list-style-type: none"> • Add shortcut from Control Panel, Run Advertised Programs <p>OR</p> <ul style="list-style-type: none"> • Select <i>Add GET-IEP Desktop Shortcut</i> link on the GET-IEP More Information Page. 	<p><i>GET-IEP Desktop Shortcut</i> is "advertised" on all school computers with C, E, or A in the computer name.</p>
<p>Support</p> <ul style="list-style-type: none"> • IEP Content Questions <ul style="list-style-type: none"> – Questions regarding a student's IEP should be directed the student's Case Manager. • GET-IEP Questions <ul style="list-style-type: none"> – Contact the IT Service Desk, 703-503-1600 ITServiceDesk@fcps.edu – Create a new request in RequestIT <p>Refer to the GET-IEP Support Plan for more information.</p>
