

It's time for our Back-to-School Supply Kit Program

Dear Parents,

As the end of the school year approaches, plans are already underway for next fall. The PTO is excited to offer an optional school supply kit program for next year through SchoolKidz, Inc., a subsidiary of Staples. **Orders may be placed May 23-June 10 on the SchoolKidz website: <http://www.shopttkits.com> (account #12871).** Due to delivery scheduling, there will be no opportunity for late orders.

School supply kit programs have grown in popularity in recent years due to the convenience they provide. Visit the SchoolKidz website (<http://www.shopttkits.com>), and you will find that the items on each list are exactly what is required by our teachers. In addition, each kit contains SchoolKidz bonus items including personalized labels. The entire package comes in a reusable storage box with an easy-carry handle. Kits will be delivered to the school and be available for pick-up at Meet Your Teacher on Thursday, September 1, 2011. If not picked up then, they will be delivered to your childrens' classrooms.

SchoolKidz offers brand name items such as Crayola®, Fiskars®, Ticonderoga® and their own brand, SchoolKidz. We have found their prices to be competitive with those in local stores, and, best of all, it is one stop shopping that will make "back-to-school time" a little less hectic and more enjoyable for everyone. **Feedback from last year was overwhelmingly positive and we hope you will enjoy the convenience this year.**

SchoolKidz is also another way to support our school. The PTO receives a set percentage back on each kit ordered, so in this case, saving time makes money!

We hope that all of you will appreciate this convenience and choose to participate in the program. If you have any questions please refer to the SchoolKidz website or contact Elizabeth Trumbull at elizabeth.trumbull@gmail.com.

Enjoy the rest of the school year and thank you for your support!
The PTO Board
