## GRADE-POINT AVERAGE

Grade-point average (GPA) is calculated on the basis of **all courses for which credit has been earned or attempted, including repeated courses previously passed**. In order for a repeat course to raise a GPA, the student's grade must be higher than the one originally given. All classes appearing on the high school transcript including high school classes taken in summer school, middle school, elementary school, or online are included when calculating GPA.

Quality points are numerical values assigned to final grades for the purpose of determining a numerical average. Quality points are assigned to grades earned in all courses for which credit is received, as follows:

A	-	4.0	C+	-	2.5	D	-	1.0
B+	-	3.5	C	-	2.0	F	-	.0
B	-	3.0	D+	-	1.5	P	-	.0

Advanced Placement (AP) courses and specified International Baccalaureate (IB) courses receive an additional .5 added to the final grade upon successful completion of the course. Successful completion is defined as completing the course with a passing grade and taking the corresponding AP or IB exam. For example, a final grade of A in an AP/IB course shall receive 4.5 quality points for purposes of calculating grade point average.

Courses dropped will not be counted in grade point average (GPA) except when a final grade of F is received: (a) for the fourth grading period of a full-year course, or (b) for the second grading period of a semester course. A student's GPA is determined by dividing the total number of quality points earned by the number of courses included in the transcript. The grade-point average is reported to three decimal places (thousandths).

## WITHDRAWAL POLICY

If a student drops a course during the:

1st quarter	No penalty--nothing is recorded.
2nd quarter	WP (withdrawn passing) or WF (withdrawn failing) is recorded. Exception: For semester courses a WP or F for failure is recorded.*
3rd quarter	WP or WF is recorded.
4th quarter	WP or F for failure is recorded.*

\* Unless there are unusual circumstances, a student who has a passing grade may not withdraw during the terminating quarter of the course.
