The Library of Congress regulations (36 CFR 701.6(b)(1)) related to the Act to Provide Books for the Adult Blind (approved March 3, 1931, 2 U.S.C. 135a) provide that blind persons or other persons with print disabilities include:

- (i) Blind persons whose visual acuity, as determined by competent authority, is 20/200 or less in the better eye with correcting glasses, or whose widest diameter if visual field subtends an angular distance no greater than 20 degrees.*
- (ii) Persons whose visual disability, with correction and regardless of optical measurement, is certified by competent authority as preventing the reading of standard printed material.*
- (iii) Persons certified by competent authority as unable to read or unable to use standard printed material as a result of physical limitations.*
- (iv) Persons certified by IEP team as having a reading disability resulting from organic dysfunction and of sufficient severity to prevent their reading printed material in a normal manner.*

*I certify that the student listed above is unable to read or use standard printed material for the following reason:
