

Dear Eagle View Parents,

As many of you may or may not know, Eagle View started an initiative last year to go green. In doing so, we spearheaded a wonderful recycling program with the teachers and students. This year, we decided that we would like to add another piece to this initiative. We want to try and go Paper”less” this year. We know that going paperless in an elementary school is almost impossible, so we have set a goal of cutting our paper usage in half.

Eagle View realizes that the biggest way to save paper is to turn our documents into electronic information. We are going to try and put most handouts that normally come in the Wednesday envelopes into electronic form. Teachers, administration and PTA are all going to be a part of this. Items will now be posted on the PTA webpage, the school webpage, Keep in Touch, or in Blackboard.

For Eagle View to be successful with this endeavor, we need to enlist your help. We encourage you to do several things to make this transition easier. The first thing is to set up a Keep in Touch account. When new information is posted, you will receive an email letting you know. Also, please sign up for a Parent View Blackboard account. This will allow teachers to communicate with you through FCPS 24-7 Learning. Finally, please check the school webpage and the PTA webpage for ongoing updates. We will try to update that information on Wednesdays when the Wednesday envelopes come home. By doing all of these things, you will help us to make Eagle View a more eco-friendly school.

At this point, we are enrolling everyone into our new Paper”less” program. If you would like to still receive paper copies of all of the handouts that are normally sent home in the Wednesday envelopes you need to let us know by filling out the bottom of this sheet and turning it back in by September 15, 2008. If you do not turn this form back in, you will automatically be enrolled in our Paper”less” initiative. Please help us reach our goal this year. Thank you for your support.

Sincerely,
Eagle View Staff

I would like my child to receive paper copies of all items sent out at Eagle View.
