

Hazardous Weather Guide

Make plans now for hazardous weather like flooding, snow, or tornadoes that might affect school schedules. Please be sure that you have made arrangements for your child in case school opens late or closes early.

Please turn on your radio or TV, tune to cable **Channel 21**, or check www.fcps.edu during worsening weather conditions. To receive weather news by e-mail to your home and office, sign up for **Keep in Touch e-mail notification system**. Go to www.fcps.edu and click on the Keep in Touch link. If schools will be closed all day or open two hours late, the announcement will be made by 5:30 a.m.

Please do NOT call the school's general telephone number for news of schedule changes as that makes our phone lines inaccessible of other important calls.

NOTE:

* When school opens two hours late, parents should not drop their children off at school early. School will begin at 11:05 a.m. for children and teachers. Teacher supervision is not available for children who come early.

* If school has a delayed opening on a Monday, we will not dismiss children at the regular early closing time of 1:15 p.m. Instead, we will observe a Tues.-Fri. closing time at 3:45 p.m.

* When schools are closed for the day, all activities that use school facilities are canceled, including adult classes, recreation, PTA activities, SACC, etc.

* In the event of snow or hazardous weather on the weekend, events scheduled in school facilities and on school grounds may be canceled.
