

Original Works Fundraiser Begins!

Original Works is an original art-based fundraiser that began in 1989. They turn children's artworks into professionally made products like magnets, mugs, note card, aprons, and much more! Great gift ideas!!! This will be Eagle View's 2nd year in participating in this fundraiser. This year, students will have the opportunity to use one class art period to create their artwork; if they would like to complete the art afterward, they are welcome to take the artwork home.

Finished artworks must be turned in no later than Friday, Feb. 24 to the EV art teachers, if you wish to participate in the fundraiser. Once all artworks are collected, they will be turned over to PTA volunteers to assemble Parent Packets to be sent home with each student in their Wednesday Folders.

How to order:

- **Participants place orders and return to the school with payment and artwork.**
- **The parent group coordinator sends the orders and artwork to Original Works for processing**
- **5 weeks later the completed products arrive at the school. All original artwork is returned with the orders.**

Art teachers will distribute one paper per student with their information labeled on the back. Please make sure that labels remain on the back of the paper. The teachers and school will not be responsible for artworks not being completed, turned in or lost.

If you see an unfinished Original Works paper in your child's Wednesday Folder, please make sure they are completed and turned into their art teacher no later than the due date, Friday, Feb. 24.

DO: BOLD COLORS, BORDERS, DESIGNS, and you DO SIGNATURES, incorporate it into the body of the picture. Make sure the student's name, school grade and teacher is labeled on the back. It is also recommended to make each artwork with a "T" on the back to indicate top.

DON'T USE: Colored pencils, lead pencils, gel pens, glitter pens, fluorescent paints, highlighters, abrasive materials or copyrighted and/or trademarked photos.
