The MCM Healthy Kids Fun Run – Information for Race Day

Dear Parents of Eagle View Runners,

The time has arrived! We have 182 of our Eagle View athletes registered to run in this year's event! I am incredibly excited, as this shows the Washington DC area how important leading a physically active and healthy lifestyle is to the Eagle View Community! Congratulations!!

As we prepare for the big event at the end of the week, I wanted to share some information with you that will help all of us have an enjoyable, safe, and successful day.

First, you may receive a confirmation email from the Marine Corps Marathon. In this email, it asks you to take your confirmation card to pick up your runner's bib number at the Runner's Expo in Washington D.C. You do NOT have to do this. I will be picking up all t-shirts and bib numbers for all Eagle View runners and will distribute them this week prior to the race.

Please plan on having your child at Eagle View by 7:30 am. Once at the school, proceed to the gymnasium where your child will sign in and receive their and runner's bib number. Then as a team, we will review expectations and procedures for the day and board the buses for an 8:15 departure.

There is limited space on the buses for parent chaperones. Only those parents who have already registered as a chaperone will be able to ride the buses with us. All other parents are more than welcome to drive, or better yet, Metro to the event to meet us.

For those of you who have already signed up to chaperone, thank you! Once you arrive at Eagle View and your runner proceeds to the gym to get checked in, please meet in the cafeteria for a brief chaperone meeting. I will provide the chaperones with the list of runners in their group and briefly review the procedures for the day.

We will be returning to Eagle View by 12:00 noon. Please plan on arriving a few minutes earlier in order to meet the buses and our excited finishers as we arrive. I'm sure our athletes will be eager to share their adventures with you!

I am looking forward to taking Washington D.C. by storm and showing everyone how proud we are of our Eagle View Eagles! We'll see you this Saturday, October 24th!

In Health and Fitness,

Sean Niehoff
