# Eagle View School News

## The Many. The Proud. Eagle View Students!

This past Saturday, five buses filled with eager Eagle View students along with family and school staff members participated in the annual Marine Corps Healthy Kids Fun Run in Arlington, Virginia.

Eagle View's participation in the Fun Run helps promote the importance of physical fitness in our school.

Good job to all who participated!

Mr. Niehoff, (Fun Run Coordinator) with Ms. Reconnu, Ms. Willison and Ms. Edwards, before heading out to the buses. These are just a few of the wonderful volunteers who helped with the Fun Run. Thank you to everyone who helped to make the day a big success!

Just a friendly reminder....

Please make sure that your children come to school with all the items they need, such as homework, lunch and instruments. If you bring an item to school for your child after the school day has started, it is your child's responsibility to come to the office to pick it up.

**Thank you for helping our students demonstrate responsibility!**
