

Dear Parents and Guardians:

We wanted to remind you about the community dialogue meeting on Monday, June 6, to discuss proposals that **may impact your child's school**. The proposals include:

- Boundary options for a new elementary school currently under construction at 3705 Crest Drive in Annandale, also known as the Lacey site. The new elementary school will serve to relieve significant overcrowding at several of the surrounding the elementary schools.
- Middle and high school boundary change options to relieve overcrowding at Annandale High School.
- Review of a non-boundary change option to relieve overcrowding at Annandale High School.

It is also possible that Advanced Academic Center assignments for students or program locations among these schools may change.

The meeting on **Monday, June 6, will be from 7-9 p.m. at Annandale Terrace Elementary**, in the gymnasium adjacent to the Parent Resource Center, at 7604 Herald Street, Annandale (use entrance 1).

**FCPS will provide:**

- Bus transportation leaving to and from Bren Mar Park Elementary, 6344 Beryl Street, Alexandria, and Annandale Terrace. The bus will leave Bren Mar at 6:40 p.m. and will return to Bren Mar after the Annandale Terrace meeting ends at approximately 9 p.m.
- Child care at Annandale Elementary; **when you register, please indicate number and ages of children who will need child care.**
