

## CLUSTER I / VII / VIII PROPOSED BOUNDARY CHANGES

### RECOMMENDATION:

**ASSIGN TO:** Herndon Elementary School  
**ASSIGN FROM:** McNair Elementary School

Courts of Chandon subdivision (located north of the Dulles Toll Road, along Herndon Parkway, Palmer Drive, and Campbell Way)

**RATIONALE:** This change will eliminate the McNair Elementary School island north of the Dulles Toll Road and will relieve overcrowding at McNair. Herndon Elementary has sufficient capacity to accommodate the new attendance area.

**PHASING:** Attendance area adjustment phased in by grade:

Grades K-5 (2009-10)  
Grades K-6 (2010-11)

**MEMBERSHIP:** With the above attendance area change, membership at Herndon Elementary School will be 796 in 2009-10, increasing to 825 in 2013-14, with a capacity of 864.

Membership at McNair Elementary School with the new G/T Center will be 765 in 2009-10, decreasing to 725 in 2013-14, with a capacity of 910.

## CLUSTER I / VII / VIII PROPOSED BOUNDARY CHANGES

### RECOMMENDATION:

**ASSIGN TO:** Hutchison Elementary School  
**ASSIGN FROM:** McNair Elementary School

Northern-most portion of McNair Elementary School boundary  
(located along Alabama Drive)

**RATIONALE:** This change will eliminate the McNair Elementary School island north of the Dulles Toll Road and will relieve overcrowding at McNair Elementary. Hutchison Elementary has sufficient capacity to accommodate this new attendance area.

**PHASING:** Attendance area adjustment phased in by grade:

Grades K-5 (2009-10)  
Grades K-6 (2010-11)

**MEMBERSHIP:** With the above attendance area change, membership at Hutchison Elementary School will be 700 in 2009-10, increasing to 736 in 2013-14, with a capacity of 850.

Membership at McNair Elementary School with the new G/T Center will be 765 in 2009-10, decreasing to 725 in 2013-14, with a capacity of 910.

## CLUSTER I / VII / VIII PROPOSED BOUNDARY CHANGES

### RECOMMENDATION:

**ASSIGN TO:** Oak Hill Elementary School  
**ASSIGN FROM:** Floris Elementary School

Areas south of McLearen Road – portion of Bradley Farms, Emerald Chase, and Smithfield subdivisions

**RATIONALE:** This change will relieve overcrowding at Floris Elementary School. Sufficient capacity at Oak Hill Elementary will exist with the creation of a new G/T Center at McNair Elementary to serve G/T Center eligible students from Coppermine, Floris, and McNair.

**PHASING:** Attendance area adjustment phased in by grade:

Grades K-5 (2009-10)  
Grades K-6 (2010-11)

**MEMBERSHIP:** With the above attendance area change, membership at Oak Hill Elementary School will be 816 in 2009-10, decreasing to 798 in 2013-14, with a capacity of 826.

Membership at Floris Elementary School will be 751 in 2009-10, increasing to 859 in 2013-14, with a capacity of 832.

## CLUSTER I / VII / VIII PROPOSED BOUNDARY CHANGES

### RECOMMENDATION:

**ASSIGN TO:** Coppermine Elementary School  
**ASSIGN FROM:** McNair Elementary School

Areas west of Centreville Road and south of the Dulles Toll Road, Dulles Glen Apartments (located on Elden Street), Worldgate area (located on Elden Street)

**RATIONALE:** This change will relieve overcrowding at McNair Elementary and will be part of the attendance area for Coppermine Elementary School.

While the Dulles Glen Apartments and the Worldgate area are north of the Dulles Toll Road, which would serve as a natural man-made boundary, sufficient capacity at Hutchison and Herndon Elementary does not exist to accommodate these areas. However, reassigning these areas to Coppermine will relieve overcrowding at McNair.

**ASSIGN FROM:** Floris Elementary School

Areas west of Centreville Road, near Frying Pan Road

**RATIONALE:** This change will reduce overcrowding at Floris Elementary and will be part of the attendance area for the Coppermine Elementary School.

**PHASING:** Attendance area adjustment phased in by grade:

Grades K-5 (2009-10)  
Grades K-6 (2010-11)

**MEMBERSHIP:** With the above attendance area change, membership at Coppermine Elementary School will be 487 in 2009-10, increasing to 683 in 2013-14, with a capacity of 830.

Membership at McNair Elementary School with the new G/T Center will be 765 in 2009-10, decreasing to 725 in 2013-14, with a capacity of 910.

Membership at Floris Elementary School will be 751 in 2009-10, increasing to 859 in 2013-14, with a capacity of 832.
