Dear Parents, Residents, and Property Owners:

On April 2, 2009, the School Board authorized a limited study of the attendance areas for Fort Belvoir and Woodlawn Elementary Schools. The attached map illustrates the scope of the study. The intent of the study is to provide relief to Fort Belvoir Elementary School by utilizing surplus enrollment capacity at Woodlawn Elementary School. Fort Belvoir Elementary School currently operates at 122 percent of its enrollment capacity.

An informational meeting for parents, residents, and property owners will be conducted as noted below.

Tuesday May 5, 2009 7:00 p.m. Wood Theater

Wood Theater is located on the base at 2120 Abbott Road, Fort Belvoir, Virginia.

The information to be presented will be posted on the website (<http://www.fcps.edu/fts/planning/index.htm>) by April 27, 2009. Questions may be submitted in advance via email at boundaries@fcps.edu. There will also be an opportunity to ask questions during these meetings.

The School Board will conduct a public hearing for this study on June 3, 2009, and action will be taken June 25, 2009. The scope of study reviewed by the School Board during the work session can be found at <http://www.fcps.edu/fts/planning/index.htm>.
