

## Tweak Subcommittees

October 5, 2007

The Tweak Committee agreed to form the following subcommittees:

- ✚ Consortia
- ✚ Alternative Transportation Methods
- ✚ Out-Of-Boundary Programs
- ✚ Transportation Department Efficiencies

Due to lack of interest, the Alternative Transportation Methods subcommittee will not be formed. Members of the other three subcommittees are listed below. The first person on each list is designated the “committee contact.” It will be his/her job to begin an email round robin to determine when/how the committee will initially meet.

Each subcommittee needs to elect a chair and a secretary. The minutes should reflect accepted as well as discarded ideas. Please take attendance at all subcommittee meetings. Your committee should have some idea of its approach when the entire Tweak Committee meets at 7:00 on Tuesday, Oct 9 at Mosby Woods.

### **Consortia Subcommittee**

Rima Vesilind, committee contact  
Doug Wright
