

## Attention Rising 5<sup>th</sup> Graders!

Check out what is expected of you as you enter 5<sup>th</sup> grade.

### *Mandated by FCPS*

You are able to:

- Work independently for a sustained 30 minutes.
- Read silently for a sustained 30 minutes.
- Independently maintain a student planner on a daily basis.
- Use conventional punctuation, spelling, and capitalization consistently in written work.
- Use multiplication/division facts (thru 10) and addition/subtraction facts (thru 20) interchangeably with speed and 100% accuracy.
- Identify and list the factors and multiples of numbers.
- Multiply a 3-digit number by a 2-digit number.

### *Highly Recommended by Fifth Grade Teachers*

You are able to:

- Type using Microsoft Word or other computer program. (You will be expected to type reports and papers.)
- Read cursive. (Students will be writing in cursive by the second quarter.)

### *What can you do this summer to review for 5<sup>th</sup> Grade?*

- Read!
- Write!
- Practice your math facts!
- Type!
- Practice writing in cursive!

### *Try these websites for summer fun and practice!*
