

Attention Rising 6th Graders!

Check out what is expected of you as you enter 6th grade.

Mandated by FCPS

You are able to:

- Work independently for a sustained 30 minutes.
- Read silently for a sustained 30 minutes.
- Independently maintain a student planner on a daily basis.
- Use conventional punctuation, spelling, and capitalization consistently in written work.
- Use multiplication/division facts (thru 12) and addition/subtraction facts (thru 20) interchangeably with speed and 100% accuracy.
- Identify and list the factors and multiples of numbers.
- Multiply a 3-digit number by a 2-digit number.
- Divide decimals with whole numbers.

Highly Recommended by Sixth Grade Teachers

You are able to:

- Type using Microsoft Word or other computer program. (You will be expected to type reports and papers.)
- Read and write in cursive. (Sixth grade teachers use cursive.)
