- **Wednesday, June 17th** 6th Gr. End of Year Celebration
Safety Patrols Return Badges and Belts
- **Thursday, June 18th** Last Day of School – 10:55 Dismissal

FIRE ALARM SYSTEM TESTING

The Fire Alarm system in our building will be inspected and tested next week. Typical hours of testing are from 10PM until 5AM, Monday through Friday. Testing can range from 1 day up to 5 days depending on building size. In an effort to minimize disruption to citizens, the testing of the audible portion (horns) of the system is performed at the end of the total system test (the last testing day). The approximate amount of time that the audible portion (horn) is activated is 15 minutes. This testing is required yearly. Thank you for your understanding in this matter.

CHESS CLUB WINNERS

The chess club ended their year with a tournament in the cafeteria against fellow chess club members and Island Creek staff members. Congratulations to the following individuals who won their matches.

4th grade - Grant Sauders
5th grade - bracket 1 Mohamed Mahmoud
 bracket 2 Brendon Carnell
 bracket 3 Hank von Kolnitz
6th grade - Alex Eppard

FAREWELL TO LYDIA OLSON

Lydia Olson our Administrative Assistant, will be retiring at the end of this school year. She was one of the few individuals that helped to open Island Creek Elementary our first year, and has helped our school grow into the happy and successful school that it is today. We thank her for her years of service and wish her much happiness in her retirement.
