School Drop-off Times

To ensure safety for our children, we ask parents to remember that students should arrive no earlier than 8:20 A.M. everyday.

The school does not provide before or after school student supervision. For the first days of school, staff members are assigned to assist children in finding their classrooms.

As a safety measure, we ask that all Kiss-N-Ride students be dropped off in the designated area only. Please do not drop students at the front doors.
