Bridging Our West African Community in Fairfax County

Please join us for a forum where West African community members can learn about community and educational resources, and participate in a dialogue about developing a safe and supportive community for our youth and families.

- Learn how to access community resources like healthcare, housing, child care/pre-school programs, Youth and Adult education programs
- Ask questions about education resources such as English for students of other languages (ESOL), College preparation and scholarship information
- Learn why West African youth are entering the court, foster care, and adoption systems at an alarming rate, and what we can do to prevent it.

Register by May 27th

To register contact Vivian Boakye or Maria Franco-Nativi at 703 704 6700

There is no cost to attend.
Refreshments and childcare will be provided.
