

Parent Workshop
Ways Busy Parents Can Help
Children Succeed on
Standardized Tests

Do you want to make a difference in your child's success in school and on standardized tests? The school counselors and parent liaison will be hosting a parent workshop filled with information and resources for parents on ways to help their child at home with reading, study skills, listening, and following directions, getting ready for tests, overcoming test anxiety, developing a positive attitude and more!

Studies find that students with involved parents are more likely to:

1. Earn higher grades and test scores.
2. Pass their classes, earn credits and be promoted.
3. Attend school regularly.
4. Complete homework.
5. Graduate and go on to further education.
