Dear Parents/Guardians,

We are excited to be preparing for the 2<sup>nd</sup> Annual Career Fair at Lorton Station Elementary School, and we need your help to have another successful fair! Come and share information about your profession. Our goal is to have students interact with a wide variety of professionals and occupational groups. Exploring career option will create an understanding that will help them prepare for their future career paths.

We are currently seeking volunteers to serve as presenters. Our fair will take place Friday, March 26, 2010 from 9:30 am-12:30 pm. The time commitment will be 3 hours (9:30-12:30). You are invited to set up as early as 8:00 am, with the program beginning promptly at 9:30 am. We will have the third through sixth grade students rotate through the gym for a fifteen minute visit visiting various booths for five minutes. Kindergarten through second grade will rotate outside visiting local community professionals (i.e. fire department, police department).

Please bring visual aids or handouts related to your field, this will be helpful in getting students interested in your profession. If you require support equipment such as a TV, VCR or outlets please let us know. Please feel free to bring or wear uniforms or equipment used in your profession or anything else that might prove interesting for our students. Weapons related to a profession are not allowed on school property.

If you are interested in participating in this exciting event, please fill out the form below and have your child return it to school counselor *no later than Friday, February 19, 2010*. If you have any questions, please feel free to call Mrs. Lee or Ms. Partlow at 571-642-6000.
