

# ArtSmocks

Please make sure your child has an art smock to wear during every art class. We use a variety of materials that can stain clothing. Any old oversized shirt will do! If your child's smock has long sleeves please cut them to fit him or her appropriately. The smock should be stored in your child's back-pack pocket so it can be washed periodically throughout the year. We are looking forward to a wonderful year of art! --Ms. Peterson & Mrs. Westman
