DISCUSSION

15.02 Implementation of Individualized Education Programs (IEPs) and Functional Behavior Analysis and Behavioral Intervention Plan Update (Exhibit A)

- Principals provided information on how the IEP process was handled at their schools;
- critical need to notify general education teachers when their student had an IEP by the first day of school;
- strategies had been put in place to ensure that behavior plans for special education students were shared with general education teachers;
- school teams were encouraged to use the plan for general education students with behavior problems before they became severe; and
- success of the program would be included in the Special Services monitoring report.

The meeting was adjourned at 8:50 p.m.
