Issues Discussed:

(Exhibit A)

- Requested efficiencies in the process of school construction permit acquisition which might lower costs of the project and shorten the length of the design phase without lowering standards or impacting safety; both county and schools will look at ways to streamline the steps;
- designing space for community services that could be incorporated into new school constructions and renovations;
- recent snow removal efforts and how well the county and schools had worked together to get the children back into the schools;
- requested the following pending items to be on the next agenda: trash and recycling, walking school bus, SACC, social services for homeless children, and vending machines.

Next meeting scheduled for June 1, 2010, at 3:00 p.m. at the Government Center.

Adjourned: 4:25 p.m.
