

I had a lot of fun at school today!

My favorite thing to do was

play with my friends

eat a yummy snack

go to the playground

Now it is time to go home. I will

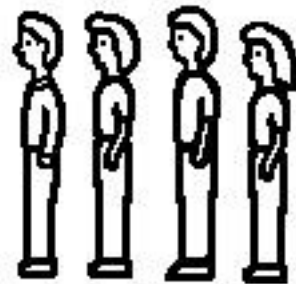

say goodbye to my friends

get my coat and backpack

line up

I am sad to leave school.  
I will miss my friends and  
my teacher.

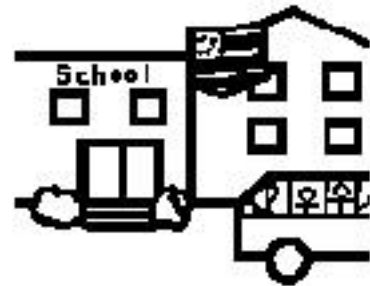

That's okay.

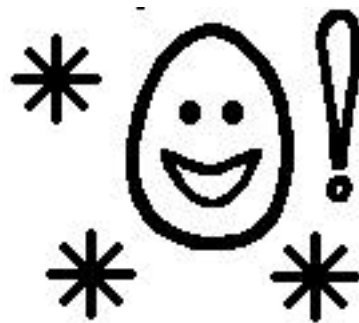

I like to ride on the bus.  
It is fun!

Tommorrow I will come  
back to school and play.

That makes me feel happy.

Time To Go Home
