

Dear Parents,

Important Dates:

**Friday March 2-** Interim grades distributed during 5th period

**March 5-9-** SOL Writing test for English 11 students

**March 5-9-** Course registration with current 9th grade students

**March 12-16-** Course registration with current 11th grade students

**Counselors are in the process of registering students for next years classes.:**

Students attended registration orientation throughout February. At that time they were given course selection materials to take home for completion.

Please take the opportunity to review and sign your child's course selection sheet for next year. If your students comes to registration without their forms, they are given a new one to complete. This form will not be sent home for your review.

Parent/guardians will receive a copy of student course selections the first week of June. Students will have an opportunity to request changes to course selections at that time.

Please help us have a smooth registration period by reviewing, discussing, and signing your child's form.

**College Visit Opportunity!** All aboard! Spring is right around the corner and many high school students are identifying the colleges they wish to visit as soon as spring weather arrives. A parent or guardian accompanying high school juniors and seniors on those college visits can travel free on Amtrak and siblings, ages 2 to 15, can ride along at half fare. For additional information, go to:

<http://www.campusvisit.com/amtrak>
