

## September 18, 2006 eNouncement

### PSAT TEST – October 18, 2006

Parents can sign their children up for the PSAT at Back to School Night. Sign-ups for the PSAT will also be held for students through their first period classes on September 27, 29, and October 3. It is the policy of FCPS to pay for all sophomore students, however, ninth and eleventh grade students must pay \$15.00 (check or money order ONLY made out to WSHS – please include your child's full name in the memo line at the bottom of the check) to take the PSAT. Sophomore students must still register for the PSAT in order to receive a bulletin and practice test.

A PSAT strategy session will be held on **Thursday, September 28 @ 2:30p.m.** in Spartan Hall for all 9-11 students interested in strategies prior to 10/18 test administration.

A follow-up session to go over the practice PSAT (which students receive upon registration) will be held on Thursday, October 12<sup>th</sup> in Spartan Hall.

**No sign-up is required for either of these sessions.**

On the actual test day, students must bring two Number 2 pencils and a four-function or higher calculator to the test.

Wednesday, October 18 will be a half-day for students. They will be released after the completion of the PSAT.

**\*A full “FREE” Test Prep program will be offered this winter!!!! Watch for further announcements.**
