Notes:

- During the morning and afternoon testing blocks on Monday, Tuesday, and Wednesday as well as during the morning testing block on Thursday, students in SOL-tested courses for that period will take their exams. All other students will go to their regular classes.
- During the **Thursday afternoon testing block**, all World History 2, Pre-AP World History 2, and AP World History students will take their SOL exams. All other students will go to their regular 6th period classes. Exception: World History 2 and Pre-AP World History 2 classes that normally meet during 6th period will go to class and will take their exams during the Friday morning testing block (see note 3 below).
- During the **Friday morning testing block**, the classes listed below will take their SOL exams. All other students will go to their regular 3rd period classes.
 - Chemistry classes that normally meet during 5th, 6th, and 7th periods
 - Geosystems classes that normally meet during 5th and 7th periods
 - Algebra 1 classes that normally meet during 7th period
 - World History 2 and Pre-AP World History 2 classes that normally meet during 6th period
- During the **Friday afternoon testing block**, all US/VA history and AP US History students will take their SOL exam. All other students will go to their regular 5th period classes.
- Lunch on Wednesday** will be during 7th period. Students taking an exam during the Wednesday afternoon testing block will go to lunch at 10:36. All other students will have lunch during 7th period, according to that subject area's lunch assignment (A, B or C lunch).
