

AP Environmental Science Summer Assignment

- 1) Cut/Print out 10 articles relating to environmental science. Write a one paragraph summary on each article. Be able to discuss them the first day of school.
- 2) Write a one page paper (double spaced) discussing current and future environmental legislation. Begin with the Clean Air Act.

Grading: This assignment will be counted as your first lab grade (20 total points) 1 point for each article, 10 points for current and future legislation.
