**I. FY 2024 Revenue Adjustments**

## A. Beginning Balance - \$5.0 million

In the School Operating fund, funds available are increasing by \$5.0 million primarily due to revenue in sales tax based on actual receipts.

## B. Grant Adjustments - \$1.1 million

Federal grant awards are received after the approved budget is adopted in May. Changes to awards are therefore recognized at the midyear review; revenue adjustments are offset by corresponding expenditure adjustments in II. A.

**II. FY 2024 Expenditure Adjustments**

## A. Grant Adjustments - \$1.1 million, 1.0 position

Federal grant awards are received after the approved budget is adopted in May. Changes to awards are therefore recognized at the midyear review; expenditure adjustments are offset by corresponding revenue adjustments in I. B. In addition, position authorization is requested for a 1.0 financial analyst to support IDEA grant management and financial processes.

B. Elementary School Security Cameras - \$0.8 million, 0.0 positions

Funding of \$0.8 million is included to provide video surveillance cameras for nine elementary schools: Deer Park ES, Coates ES, Springfield Estates ES, Bull Run ES, Terra Centre ES, Greenbriar East ES, Freedom Hill ES, Bush Hill ES, and Graham Road ES.

Additionally, FCPS was awarded the VDOE Stronger Connections grant and the VDOE Security equipment grant which funds security cameras at 8 elementary schools. Criteria for grants is dependent on each grants application requirement which can include such data as FRM, the number of incidents, the year the school was built, uninterrupted power supply, and if cameras already exist at the site. In addition to grantor requirements, a review of the number of schools with security cameras within regions is also taken into consideration.

C. Background Checks - \$0.4 million, 0.0 positions

Funding of \$0.4 million is included to expedite continuous background checks for current employees, allowing the Department of Human Resources to complete the screening of all current employees in nine months rather than 18 months. Continuous background checks will follow this initial phase, and all new employees will continue to be screened during the hiring process.

D. Client Communications Platform Replacement- \$0.3 million, 0.0 positions

Funding of \$0.3 million is included to support the Client Communications platform replacement. This communications tool is an all-in-one customer experience and intelligence platform and can be set up in multiple languages to improve equitable access.

E. Woodson High School Renaming - \$0.1 million, 0.0 positions

On November 9, 2023, the School Board approved renaming W. T. Woodson High School to Carter G. Woodson High School. Placeholder funding of \$0.1 million is included to support the replacement of equipment, uniforms, and minor improvements to reflect the new name.

F. Restorative Justice - \$0.1 million, 0.0 positions

Funding of \$0.1 million is included to meet the growing demand for restorative justice intervention and to address division wide restorative needs. This funding will provide restorative justice training for school-based facilitators, project-based assessment and support, coaching, substitutes, training materials and supplies.

G. Facilities Testing Room Enhancement - \$0.1 million, 0.0 positions

Funding of \$0.1 million is included to support the upgrade of power sources related to Advanced Placement digital testing at Chantilly High School (HS), South County HS, Thomas Jefferson High School for Science and Technology, and West Potomac HS.

**III. FY 2025 Beginning Balance Adjustment**

A. FY 2025 Beginning Balance - \$3.1 million, 0.0 positions

Funding available from the FY 2024 Midyear Budget Review will be allocated to provide a \$3.1 million increase to the budgeted beginning balance for FY 2025. This results in a budgeted beginning balance for FY 2025 of \$28.1 million.

##### School Construction Fund

The FY 2024 beginning balance decreased by \$2.4 million due to FY 2023 revenue and expenditure adjustments reported after the FY 2023 Final Budget Review. The beginning balance decrease is offset by a corresponding decrease in expenditures for FY 2024.

Receipts increased by \$9.1 million due to \$0.4 million from the City of Fairfax for turf field replacement and construction of a new concession stand at Fairfax High School, and \$8.7 million for insurance funds received for the Woodson Complex fire rebuild.

Transfers from the County increased by \$9.9 million to include the County's FY 2023 Carryover Review for the Joint Board of Supervisors/School Board Infrastructure Sinking Reserve for infrastructure replacement and upgrades. The additional funding is offset by a corresponding increase in expenditures for FY 2024.

Authorized but unissued bonds increased by \$61.5 million due to additional projects from the 2023 bond referendum. The budget for additional contractual commitments increased by \$61.5 million for the renovation planning projects which include renovations for Cub Run Elementary School (ES), Union Mill ES, Centre Ridge ES, Poplar Tree ES, Waples Mill ES, Sangster ES, Saratoga ES, Virginia Run ES, and Franklin Middle School, as well as funding for security vestibules, modular relocations, and inflation adjustment funding for prior year projects.

##### Food and Nutrition Services Fund

The FY 2024 beginning balance for the Food and Nutrition Services Fund increased by \$1.0 million due to FY 2023 revenue and expenditure adjustments reported after the FY 2023 Final Budget Review. The FY 2024 midyear revised revenue reflects an increase of \$51,759 for the Giant Food Nourishing Our Youth Round Up program and the Safeway Foundation food insecurity program donations. The beginning balance increase and additional donation revenue result in a corresponding increase of \$1.0 million in expenditures for FY 2024.

##### Adult and Community Education Fund

The FY 2024 beginning balance for the Adult and Community Education Fund increased by \$6,426 due to FY 2023 adjustments reported after the FY 2023 Final Budget Review. The beginning balance increase is offset by a corresponding increase in expenditures for FY 2024.

## Grants and Self-Supporting Programs Fund

The FY 2024 beginning balance for Grants and Self-Supporting Programs Fund increased by \$0.2 million due to revenue and expenditure adjustments reported after the FY 2023 Final Budget Review. The net impact of the increase in the beginning balance, new and revised grant awards, and other FY 2024 adjustments results in an increase of \$40.7 million in expenditures for FY 2024.

### Summer School Subfund:

The FY 2024 beginning balance for the Summer School Subfund increased by \$33,025 due to FY 2023 revenue adjustments reported after the FY 2023 Final Budget Review. This increase in available funding for FY 2024 is offset by a corresponding increase to the summer school reserve.

### Grants Subfund:

The FY 2024 beginning balance for the Grants Subfund increased by \$0.2 million due to adjustments reported after the FY 2023 Final Budget Review. The adjustments include an increase in revenue of \$15,297 offset by an increase of \$0.2 million in the expenditure budget to reflect actual balances in the Grants Subfund. After accounting for year-end and carryover adjustments of \$0.2 million and new and revised grant awards totaling \$40.4 million, the Grants Subfund expenditures reflect a net increase of \$40.6 million including an increase of 39.75 positions. The position increase includes 38.75 for the Title I grant, funding for the positions was included in the FY 2024 Approved Budget and 1.0 position for the Ready Regions grant award. Listed below are the new and revised grant awards:

### **School Insurance Fund**

The FY 2024 beginning balance for the School Insurance Fund increased by \$47,361 due to year-end adjustments to worker's compensation expenditures reported after the FY 2023 Final Budget Review. A corresponding increase of \$47,361 was made to the allocated reserve.

### **School Health and Flexible Benefits Fund**

The FY 2024 beginning balance for the School Health and Flexible Benefits Fund decreased by \$0.7 million due to adjustments reported after the FY 2023 Final Budget Review. The adjustments are primarily due to an increase in claims and claims incurred but not reported (IBNR) offset by an increase in pharmaceutical subsidies and rebates.

The FY 2024 midyear revised revenue increased by \$25.0 million to reflect higher healthcare rates effective January 1, 2024. Expenditures increased by \$36.7 million to reflect rising medical and pharmaceutical claims and Kaiser premiums, a trend that began in the fourth quarter of FY 2023. As a result, the revised midyear ending balance is projected to decrease by \$12.4 million.

### **Educational Employees' Supplementary Retirement System of Fairfax County (ERFC)**

The FY 2024 beginning balance for the ERFC Fund increased by \$48.8 million due to year-end adjustments reported after the FY 2023 Final Budget Review. The adjustments include higher net gains from investment sales, security lending, and interest and dividends. Adjustments are an annual occurrence due to the timing of the preparation of the year-end budget agenda and the determination of final portfolio values, which are not available until late July.

Revenue decreased by \$4.8 million due to expected declines in investment returns. Expenditures were decreased by \$6.2 million primarily due to expected declines in investment management fees which are correlated to investment returns. As a result, the FY 2024 midyear ending balance is projected to increase \$50.2 million.

### **School Other Post-Employment Employee Benefits (OPEB) Trust Fund**

The FY 2024 beginning balance for the OPEB Trust Fund increased by \$6.2 million due to year-end adjustments reported after the FY 2023 Final Budget Review. The adjustment was made to capture June 2023 investment results, which increased net investment income by \$6.2 million. This adjustment is an annual occurrence due to the timing of the preparation of the year-end budget agenda and the determination of final portfolio values, which were not available until after the FY 2023 Final Budget Review. As a result of the FY 2023 final adjustments, the midyear ending balance reflects an increase of \$6.2 million.
