[#] Students who complete a CTE program sequence and pass an examination or occupational competency assessment in a CTE field that confers certification or an occupational competency credential from a recognized industry, or trade or professional association, or acquires a professional license in a CTE field from the Commonwealth of Virginia may substitute the certification, competency credential, or license for (i) the student selected verified credit and (ii) either a science or history and social science verified credit when the certification, license, or credential confers more than one verified credit. The examination or occupational competency assessment must be approved by the Board as an additional test to verify student achievement.

[^] A student may utilize additional tests for earning verified credit in computer science, technology, career or technical education, economics, or other areas as prescribed by the Board in 8 VAC 20-131-110.
