

DEFERRAL NOTIFICATION  
Naglieri Nonverbal Ability Test

Dear Parents and Guardians:

Fairfax County Public Schools (FCPS) gives the Naglieri Nonverbal Ability Test (NNAT) to all first graders and selected students in grades 2-7. We have decided to wait to assess your child at a later time. We made this decision because your child is still new to Virginia schools and has little experience using technology.

Virginia requires that students have a nationally normed ability test to be considered for Advanced Academic Program (AAP) services. The NNAT fulfills this need. The decision not to give the NNAT will not limit the academic opportunities available to your child.

If you have questions about this decision, please contact the Advanced Academics Resource Teacher (AART), \_\_\_\_\_, or School Test Coordinator, \_\_\_\_\_, at your child's school.
