

NOTIFICATION OF TESTING AND RETEST PERMISSION FORM
State Assessments, Grades 3-8

Dear Parents and Guardians:

State assessments measure the extent to which students have learned the content and skills reflected in state standards and may also be used to measure growth in learning state standards. The format and timing of state assessments vary by grade level and content area, as noted in the table below. These include:

- Fall and winter Virginia Growth Assessments (VGA) standardized tests in reading and mathematics. More information is available on the VGA webpage (<https://www.fcps.edu/node/43932>);
- Spring Standards of Learning (SOL) standardized tests in reading, mathematics, and science. More information is available on the SOL assessments webpage (<https://www.fcps.edu/node/35021>);
- Ongoing local alternative assessments (LAAs) including performance-based assessments (PBAs) completed as part of classroom instruction in science, writing, and social studies; More information is available on the LAA and PBA webpage (<https://www.fcps.edu/node/45043>).

Grade	VGA Content Areas Tested (Fall and Winter)	SOL Content Areas Tested (Spring)	LAA Content Areas Tested (Ongoing)
3	Reading, Mathematics	Reading, Mathematics	Science, Social Studies
4	Reading, Mathematics	Reading, Mathematics	Social Studies
5	Reading, Mathematics	Science, Reading, Mathematics	Writing
6	Reading, Mathematics*	Reading, Mathematics	Social Studies
7	Reading, Mathematics*	Reading, Mathematics	Social Studies
8	Reading, Mathematics*	Science, Reading, Mathematics	Social Studies, Writing

* VGA tests are not available for students enrolled in a high school credit-bearing math course, such as Algebra 1.

The Grade Level Tests webpage (<https://www.fcps.edu/student-assessment/grade-level-tests>) provides information by grade level about the general assessment schedule and reporting method for each required assessment type in Fairfax County Public Schools (FCPS). School staff will contact you with the specific dates your student is scheduled to take the standardized VGA and SOL assessments. If you have questions about state assessments, contact your student's teacher or the school test coordinator.

SOL Parent/Guardian Permission to Retest Form

The Virginia Board of Education allows elementary and middle school students who fail their spring Standards of Learning (SOL) tests by a narrow margin to retake the test before the end of the school year. Retesting is available when a student fails their first SOL attempt with a score of 375-399. (A score of 400 is considered passing for SOL tests.) *Note that retests are not offered for fall or winter Virginia Growth Assessment (VGA) tests.*

Parent/guardian permission is required for the school to retest any student in grades 3-8. **If you believe that your student would benefit from a second opportunity to demonstrate their knowledge and skills on the spring SOL test, please complete this permission form and return it to the school.** A decision *not* to allow retesting will not impact your student's course grade or academic record.

Directions: Return this permission form to your student's teacher or the school test coordinator no later than _____ . A form must be returned for each student in grades 3-8.

Student Name _____ FCPS ID # _____ Grade Level _____

Parent's/Guardian's Name (Printed) _____

Parent's/Guardian's Signature _____ Date _____

_____ No, do not retest my student if their spring SOL score is between 375 and 399. I understand that this decision will *not* impact my student's course grade or academic record.

_____ Yes, provide my student with the opportunity to retake any spring SOL tests if they score between 375 and 399.

_____ Yes, provide my student with the opportunity to retake only the following spring SOL tests if they score between 375 and 399. Spring SOL content area tests approved to retake (see table above for available SOL content areas):
